Social Enterprise Summer Fellowship - Tamer Center of Social Enterprise, Columbia Business School

A fellowship program providing financial support to Columbia and Barnard undergraduate and graduate students engaged in summer work with social enterprises that create social and environmental value with access to talented Columbia students.

This fellowship provides financial support to students who are working with a social enterprise in one of the following categories:

- Social enterprises that create social and environmental value
- Non-profit organizations
- Community development
- Non-traditional public service organizations
- Other organizations that meet the criteria

This program is designed to support students who are committed to making a difference in the world and who want to gain practical experience in social enterprise.

Benefits of Summer Work

How to Maximize the Benefits of Summer Work
